

# LESSONS WITH GUY GELSO

LESSONS ARE 60 MINUTES LONG

COST IS \$75.00 PER LESSON

- Lessons are paid in advance of lesson time by PayPal to [ggtch@mac.com](mailto:ggtch@mac.com)
- ZOOM is used for lessons, Available for PC Mac or Mobile devices
- If you are not familiar with ZOOM, I will supply a PDF instruction sheet
- You will need a good internet connection, preferably hardwired to computer.
- Computer needs to have a camera or better yet a webcam, though not necessary. (Zoom Q2N4K is a great inexpensive option that I use, Logitech has several.
- I will send a short question sheet to answer so I can get a better idea of your taste in music and history behind the drum set. It will help me to plan ahead so I make the best use of your hour lesson.
- Any video links of you playing that you can send before the lesson would help me to see what is needed ahead of time.

## AREAS I CAN FOCUS ON

- Hand and Foot Techniques
- Coordination and independence
- Reading rhythmic notation (To better understand what you're already doing)
- Rudimental focus
- Effective setup of your drums for ergonomics (heights and angles)
- Grooves, feel, working with a metronome or click track
- Working on songs and song structure, how to make song "cheat sheets"
- Live sound and studio recording
- Tuning drums and proper mixing techniques
- Electronic drums and how to use them
- General music and music business questions and consultation.
